Cyber and Privacy Security

Liability Insurance

More than 450,000 new malware threats are discovered every day, and cybercriminals continue to target organizations through ransomware, phishing, and social engineering schemes. The financial and reputational damage can be devastating. Synapse provides access to specialized Cyber Liability Insurance solutions that help protect businesses when cyber threats become reality.

Is Your Client at Risk?

They may be if they:

- Use computers to operate their business
- Have a website
- Hold employee or customer information, including financial details
- Store data in the cloud
- Take credit card payments
- Make electronic payments

Synapse Difference

- Access to more than 30 carriers, including exclusive
- programs
- Cyber, Tech E&O and Excess solutions
- Quick turnaround and detailed coverage comparisons
- MFA implementation assistance through Optistar
- In-house and outside legal assistance

What Can Be Covered?

- Ransomware/Extortion Loss
- Business Interruption and Dependent Business Interruption
- Legal, forensic and notification costs
- Call center, credit and dark web monitoring
- Data recovery and bricking costs
- Operational Error, System Failure and Voluntary Shutdown
- Privacy Liability, investigations and PCI liability
- Media Liability and Reputational Harm
